

THE PLAN

35.000 kilometers in two years
through the American Continent

THE GOAL

integrate the cultures of 16
countries by means of sports

THE MISSION

help the children without family
raising funds for
SOS Children Villages

THE METHOD

pure pedaling

THE ENGINE

Damián López, *Jamerboi*, 33,
passionate sportsman and scientist

THE MACHINE

"Maira", my bicycle
and travel mate

THE START

May 30th, 2007

THE ROAD

Starting in Anchorage, Alaska,
passing by the northern tip of the continent
and then going down the Americas' roads on
my way back home, Argentina

THE FINAL DESTINATION

Bahía Lapataia, Ushuaia,
end of the road and the Continent
